

THE SPRINGS OF CAMBRIDGE

Section 11

DECLINATION OF ADDITIONAL REAL ESTATE

DECLARATION OF RESTRICTIONS OF THE SPRINGS OF CAMBRIDGE, SECTION 11-B

THIS DECLARATION made this 12th day of November, 2013 by THE MARINAIL L.P.,
an Indiana Limited Partnership (hereinafter referred to as the "Developer"),

WITNESSETH:

WHEREAS, the Developer, pursuant to the original Declaration of Restrictions of The Springs of Cambridge, Section One, recorded on December 29, 1993 as Instrument Number 9364738, P.C. number 1, slide 384, specifically reserved the right and privilege to itself to include additional real estate to the development; and

WHEREAS, now the Developer does hereby exercise his option and adds the additional real estate known as The Springs of Cambridge, Section 11-B, as described in Exhibit "A"; and

WHEREAS, the Developer is about to sell and convey the residential lot situated within the platted areas of the Development and before doing so desires to subject and impose upon all real estate within the platted areas of the Development mutual and beneficial restrictions, covenants, conditions, and charges (hereinafter referred to as the "Restrictions") under a general plan or scheme of improvement for the benefit and complement of the lot and land in the Development and the future owners thereof; and

NOW, THEREFORE, The Developer hereby declares that the platted lot and lands located within the Development as they become platted are held and shall be held, conveyed, hypothecated or encumbered, leased, rented, used, occupied and improved, subject to the following:

All Restrictions shall run with the lot situated therein. All of the Restrictions shall run with the land and shall be binding upon the Developer and upon the parties having acquiring any right, title or interest, legal or equitable, in and to the real property or any part or parts thereof subject to such Restrictions, and shall inure to the benefit of the Developer and every one of the Developer's successors in title to any real estate in the Development.

The additional real estate which could be added to Exhibit "A" is contiguous to the development and lies within the real estate described in Exhibit "B" in the original Declaration of Restrictions. The Developer reserves the right to exercise its option if said option is exercised, the additional real estate shall be deemed and labeled Additional Real Estate and will become part of the original development, for all purposes hereunder when declarant places of record in Hamilton County, Indiana, an instrument entitled Designation of Additional Real Estate, which would recite therein the real estate described.

Upon the recording of such instrument or instruments, the real estate would be described therein shall for all purposes be deemed additional real estate and the owners of any lots within such additional real estate shall be deemed for all other purposes to have all rights, duties, privileges and obligations of owners of lots within the original real estate Declaration, as herein provided. For purposes of this paragraph a plat depicting a portion of the development area shall be deemed Supplementary Declaration. Upon the recording of such instrument or instruments, the real estate which would be described therein shall for all purposes thereafter be deemed additional real estate and the owners of any lots within such additional real estate shall be deemed for all other purposes to have all rights, duties, privileges and obligations of owners of lots within the original real estate Declaration, as herein provided. For purposes of this paragraph a plat depicting a portion of the development area shall be deemed to be a designation of additional real estate.

The decision whether to add or subtract additional real estate to the original development shall be at the sole discretion of the developer and that no act on behalf of the developer in adding or subtracting real estate to the original development is intended to nor shall it be construed as transferring of any ownership interest until such time as the real estate is platted and the lots are sold to individual owners.

1. DEFINITIONS. The following are the definitions of the terms as they are used in this Declaration:

- A. "Committee" shall mean the The Springs of Cambridge Development Control Committee, composed of three members appointed by the Developer who shall be subject to removal by the Developer at any time with or without cause. Any vacancies from time to time existing shall be filled by appointment of the Developer. The Developer may, at its sole option at any time hereafter relinquish to the Association the power to appoint and remove one or more members of the Committee.
- B. "Association" shall mean The Springs of Cambridge, a not-for-profit corporation, the membership and powers of which are more fully described in Paragraph 11 of this Declaration.
- C. "Lot" shall mean any parcel of real estate excluding "Blocks", whether residential or otherwise, described by one of the plats of the Development which is recorded in the Office of the Recorder of Hamilton County, Indiana.
- D. Approvals, determinations, permissions, or consents required herein shall be deemed given if they are given in writing, signed with respect to the Developer or the Association, by the President or a Vice President thereof, and with respect to the Committee, by two members thereof.
- E. "Owner" shall mean a person who has or is acquiring any right, title or interest, legal or equitable, in and to a lot, but excluding those persons having such interest merely as security for the performance of any obligation.

2. CHARACTER OF THE DEVELOPMENT.

A. In General. Every lot in the Development, unless it is otherwise designated by the Developer, is a residential lot and shall be used exclusively for single-family residential purposes. No structures shall be erected, placed or permitted to remain upon any of said residential lot except a single-family dwelling house and such outbuildings as are usually an accessory to dwelling houses.

Prior to issuance of an Improvement Location Permit, a delineation of the lot shall be submitted for approval to the Development Control Committee. Said delineation shall indicate all trees which have a diameter of more than twelve (12) inches caliper at a point five feet above the tree's natural base and which are located outside the building, driving, and parking areas. These shall be designated by type and size and shall not be removed unless approved by the Development Control Committee upon proof of unusual hardship in the practical utilization of the lot and such removal shall not cause a materially adverse effect upon the aesthetic values of adjoining lands and rights-of-way.

Removal or destruction of such trees by a lot owner or his successors in title, other than by acts of God or circumstances beyond the lot owner's control, within Ninety (90) days notice in writing, shall be replaced by a tree of a type and size established by the Development Control Committee, and upon failure to do so, the Development Control Committee shall cause such tree to be replaced and the cost of such replacement shall be a lien upon the property collectable in any court of law or equity together with reasonable attorney's fees for the enforcement of such lien. For the purposes of executing this covenant, an easement for ingress and egress shall be reserved on each lot for the performance thereof.

Also, adequate physical barriers, such as straw bales or snow fence, shall be proved by the builder to protect trees to be preserved from damage by construction equipment or otherwise in the erection of building improvements. Pruning of trees outside the building line shall be permitted subject to the review and approval of the Development Control Committee and shall be undertaken only by qualified persons having adequate equipment to properly protect and preserve such trees.

In addition to individual site plan restrictions and tree preservation requirements administered by the Development Control Committee, platted building lines, minimum distances between buildings and minimum front and rear building lines shall be established on each plat. The Development Control Committee has the right to review the site for landscape preservation and can require the lot owner to maintain existing trees or vegetation on the lot.

B. Occupancy or Residential Use of Partially Completed Dwelling House Prohibited. No dwelling house constructed on the residential lot shall be occupied or used for residential purposes or human habitation until it shall have been substantially completed. The determination of whether the house shall have been substantially completed shall be made by the Committee and such decision shall be binding on all parties. The foregoing is subject to the rules, regulations and ordinances of the Town of Fishers and of its building commissioners or director of planning.

C. Other Restrictions. All tracts of land in the Development shall be subject to the easements, restrictions and limitations of record appearing on the recorded plat of the subdivision, on recorded easements, rights-of-ways, and also to all governmental zoning authority and regulation affecting the Development, all of which are incorporated herein by reference.

3. RESTRICTIONS CONCERNING SIZE, PLACEMENT AND MAINTENANCE OF DWELLING HOUSES AND OTHER STRUCTURES.

A. Minimum Living Space Areas. The minimum square footage of living space of dwellings constructed on the residential lot in the Development, exclusive of porches, terraces, garages, carports, or accessory buildings shall be as specified in the recorded plats of the various sections of the Development. Basements shall not be included in the computation of the minimum living area except for that portion of a walkout basement which is to be finished as a living area and approved by the Development Control Committee.

B. Residential Set-Back Requirements.

(i) In General. Unless otherwise provided in these Restrictions or on the record plat, no dwelling house or above-grade structure shall be constructed or placed on any residential lot in the Development except as provided herein.

(ii) Definitions. "Side line" means a lot boundary line that extends from the road on which a lot abuts to the rear line of said lot. "Rear line" means the lot boundary line that is farthest from, and substantially parallel to, the road on which the lot abuts, except that on corner lots, it may be determined from either abutting road.

(iii) Front Yards. The front building set-back lines shall be the designated number of feet from the right-of-way of the road upon which the lot abuts as set forth upon the plats of the Development.

(iv) Side Yards. The side yard set-back lines shall not be less than Ten (10) feet from either side line of the lot.

(v) Rear Yards. The rear set-back line shall be at least twenty (20) feet from the rear line. In the case of lots which abut Geist Reservoir, a twenty (20) foot easement in favor of the Indianapolis Water Company or its successor, Citizens Energy Group, must be observed in addition to any special considerations required by governmental authority with regard to jurisdictional wetlands and/or flood protection grade elevation.

C. Fences and Trees. In order to preserve the natural quality and aesthetic appearance of the existing geographic areas within the Development, any fence must be approved by the committee as to size, location, height and composition before it may be installed. The landscape plan of each lot in the Development must comply with the Fishers Unified Development Ordinance and, at the minimum, contain at least two (2) shade trees with a 2" minimum width at the base growing upon it in the front yard by the time the house is completed.

D. Individual Yard Lights Required on Each Lot. At the time that the owner of the lot in the Development completes the construction of a home on his lot, he shall install or cause to have installed a dusk to dawn yard light in the front yard of his lot. The design, type and location of the yard light shall be subject to the approval of the Committee which may require, for the purpose of uniformity and appearance, that said yard light be purchased from the Developer or its designee.

E. Mailboxes. Owners of a lot in the Development shall install or cause to have installed a mailbox which shall be in accordance with the design, type and location of a mailbox approved by the Committee. The Committee may require, for the purpose of uniformity and appearance, that the mailbox be purchased from the Developer or its designee.

F. Exterior Construction. The finished exterior of every building constructed or placed on any lot in the Development shall be of material acceptable to and approved by the Development Control Committee. All driveways must be paved with asphalt or concrete from their point of connection with the abutting street or road.

G. Heating Plants and Garages. Every house in the Development must contain a heating plant installed in compliance with the required codes and capable of providing adequate heat for year-round human habitation of the house. Every house in the Development must have at least a two-car garage, attached or detached of the same architectural design and material as that of the house constructed on the lot.

H. Diligence in Construction. Every building whose construction or placement on any residential lot in the Development is begun shall be completed within twelve (12) months after the beginning of such construction or placement. No improvement which has partially or totally been destroyed by fire or otherwise, shall be allowed to remain in such state for more than three (3) months from the time of such destruction or damage.

I. Prohibition of Used Structures. All structures constructed or placed on any numbered lot in the Development shall be constructed with substantially all new materials, and no used structures shall be relocated or placed on any such lot.

J. Maintenance of Lot and Improvements. The owner of the lot in the Development shall at all times maintain the lot and any improvements situated thereon in such a manner as to prevent the lot or improvements from becoming unsightly; and, specifically, such owner shall:

(i) Mow the lot at such times as may be reasonably required in order to prevent unsightly growth of vegetation and noxious weeds.

(ii) Remove all debris or rubbish.

(iii) Prevent the existence of any other condition that reasonably tends to detract from or diminish the aesthetic appearance of the Development.

(iv) Cut down and remove dead trees.

(v) Keep the exterior of all improvements in such a state of repair or maintenance as to avoid their becoming unsightly.

(vi) Within sixty (60) days following completion of a house on a lot, the owner shall landscape the lot, weather permitting.

I. Association's Right to Perform Certain Maintenance. In the event that the owner of any lot in the Development shall fail to maintain his lot and any improvements situated thereon in accordance with the provisions of these Restrictions, the Association shall have the right, but not the obligation, by and through its agents or employees or contractors, to enter upon said lot and repair, mow, clean or perform such other acts as may be reasonably necessary to make such lot and improvements situated thereon, if any, conform to the requirements of these Restrictions. The cost therefore to the Association shall be added to and become a part of the annual charge to which said lot is subject and may be collected in any manner in which such annual charge may be collected. Neither the Association nor any of its agents, employees, or contractors shall be liable for any damage which may result from any maintenance work performed hereunder.

4. PROVISIONS RESPECTING DISPOSAL OR SANITARY WASTE.

A. Nuisance. No outside toilets shall be permitted on any lot in the Development (except during a period of construction and then only with the consent of the Committee), and no sanitary waste or other wastes shall be permitted to enter any storm drain or Geist Reservoir. By purchase of a lot, each owner agrees that any violation of this paragraph constitutes a nuisance which may be abated by the Indianapolis Water Company or its successor, Citizens Energy Group, the Developer or the Association in any manner provided at law or in equity. The cost or expense of abatement, including court costs and attorney's fees, shall become a charge or lien upon the lot, and may be collected in any manner provided by law or in equity for collection of a liquidated debt.

Neither the Developer, the Association, the Indianapolis Water Company or its successor, Citizens Energy Group, or any officer, agent, employee nor contractor thereof, shall be liable for any damage which may result from enforcement of this paragraph.

B. Construction of Sewage Lines. All sanitary sewage lines on the residential building lot shall be designed and constructed in accordance with the provisions and requirements of Hamilton Southeastern Utility or its assign or successors.

5. GENERAL PROHIBITIONS AND REQUIREMENTS.

A. In General. No noxious or offensive activities shall be carried on the lot in the Development, nor shall anything be done on said lot that shall become or be an unreasonable annoyance or nuisance to any owner of another lot in the Development.

B. Signs. No signs or advertisements shall be displayed or placed on any lot or structures in the Development without the prior written approval of the Committee except for real estate sales signs.

C. Animals. No animals shall be kept or maintained on any lot in the Development except the usual household pets, and, in such case, such household pets shall be kept reasonably confined so as not to become a nuisance.

D. Vehicle Parking. No trucks (one ton or larger), campers, trailers, commercial vehicles, boats, or similar vehicles shall be parked on any street or lot in the Development.

E. Garbage and Other Refuse. No owner of a lot in the Development shall burn or permit the burning out of doors of garbage or other refuse, nor shall any such owner accumulate or permit the accumulation out of doors of such refuse on his lot except as may be permitted in Subparagraph F below. All houses built in the Development shall be equipped with a garbage disposal unit.

F. Fuel Storage Tanks and Trash Receptacles. Every tank for the storage of fuel that is installed outside any building in the Development shall be buried below the surface of the ground. Any receptacle for trash, rubbish or garbage shall be so placed and kept as not to be visible from any street or lot within the Development at any time, except at the times when refuse collections are being made.

G. Model Homes. No owner of any lot in the Development shall build or permit the building upon said lot of any dwelling house that is to be used as a model home or exhibit house without permission to do so from the Developer.

H. Temporary Structures. No temporary structure of any kind, such as a house, trailer, tent, storage building, garage or other outbuilding shall be placed or erected on any lot nor shall any overnight camping be permitted on any lot.

I. Ditches and Swales. It shall be the duty of the owner on every lot in the Development on which any part of any open storm drainage ditch or swale is situated to keep such portion thereof as may be situated upon the lot continuously unobstructed and in good repair, and to provide for the

installation of such culverts upon said lot as may be reasonably necessary to accomplish the purposes of this subsection. All owners, if necessary, shall install dry culverts between the road rights-of-way and their lot in conformity with specifications and recommendations of the Town of Fishers, Hamilton County, Indiana, and of the governmental unit with zoning jurisdiction.

J. Docks and Piers. All docks and piers constructed adjacent to any lot in the Development shall be for the personal use of the lot owner. No pier, dock or other structure may be constructed in such a manner that any portion thereof extends beyond a reasonable distance from the shore into Geist Reservoir and in no event shall any pier, dock or other structure be erected that does not conform to the specifications established by the Committee, which are as follows:

(i) All docks must be floating and secured to avoid release by flood waters.

(ii) There shall be no covered boat docks without the specific written approval of the Development Control Committee.

(iii) All docks shall be white, gray or natural in color.

(iv) Anchoring devices must be hidden.

(v) Plans for the placement of all boat docks must be submitted to the Development Control Committee for approval before installation is commenced.

(vi) There shall be no individual launch sites or ramps constructed on any residential lot.

(vii) Any boathouse constructed upon a lot may not protrude into the Reservoir, but must be constructed and excavated back into the lot. In addition to approval by the Development Control Committee such construction may require approval by the U.S. Army Corps of Engineers or other governmental body.

(viii) In all instances of the above recited installations such construction shall conform to the requirements of such governmental bodies as may be applicable.

(ix) Rules Concerning Structures at Morse Reservoir and Geist Reservoir entered into between Citizens Energy Group and The Marina Limited Partnership.

K. Beaches. No beach may be constructed on Geist Reservoir unless the plans and specifications for the beach are submitted to and approved by the Committee and Citizens Energy Group, if required. Beaches shall be constructed of sand only. No spoil materials shall be placed or allowed to collect in Geist Reservoir which results from beach construction. Placement of materials to construct a beach may require a federal permit. If such a permit is required, it is the purchaser's responsibility to obtain such permit.

L. Seawalls and Shoreline Protection. It shall be the responsibility of Purchasers of waterfront lots in the Development who desire to construct seawalls or other types of shoreline protection on their lot to obtain any and all permits, consents, licenses, and approvals which may be required by any federal and/or state governmental agency, department, commission, or body.

M. Utility Services. Utility services shall be installed underground in or adjacent to public rights-of-way to minimize removal of trees. No utility services shall be installed, constructed, repaired, replaced and/or removed under finished streets except by jacking, drilling or boring and shall require the approval of the appropriate governmental body where the streets are public and by the property owners where there are private drives, if any.

N. Wells and Septic Tanks. No water wells shall be drilled on the lot nor shall any septic tanks be installed on the lot in the Development.

O. Prohibition of Antennas. No exposed radio, cable or television antennas and/or large satellite dishes shall be permitted within the Development. However, small diameter of 2 feet or less, roof-mounted satellite dishes and devices may be allowed if they are approved by the Development Control Committee.

P. Pumping. The pumping of water from Geist Reservoir is prohibited by a recorded agreement with the Indianapolis Water Company, its successor Citizens Energy Group.

6. THE SPRINGS OF CAMBRIDGE DEVELOPMENT CONTROL COMMITTEE.

A. Statement of Purposes and Powers. The Committee shall regulate the external design, appearance, use, location and maintenance of lands subject to these Restrictions and improvements thereon, in such a manner as to preserve and enhance values and to maintain a harmonious relationship among structures and the natural vegetation and topography.

(i) Generally. No dwelling, building structure or improvement of any type or kind shall be constructed or placed on any lot in the Development without the prior approval of the Committee. Such approval shall be obtained only after written application has been made to the Committee by the owner of the lot requesting authorization from the Committee. Such written application shall be in the manner and form prescribed from time to time by the Committee, and shall be accompanied by three (3) complete sets of plans and specifications for any such proposed construction or improvement. Such plans shall include plot plans showing the location of all improvements existing upon the lot and the location of the improvement proposed to be constructed or placed upon the lot, each properly and clearly designated. Such plans and specifications shall set forth the color and composition of all exterior materials proposed to be used and any proposed landscaping, together with any other materials or information which the Committee may require. All building plans and drawings required to be submitted to the Committee shall be drawn to a scale of 1" = 30', and all plot plans shall be drawn to a scale of 1" = 30', or to such other scale as the Committee shall require.

(ii) Power of Disapproval. The Committee may refuse to grant permission to construct, place or make the requested improvement, when:

(a) The plans, specifications, drawings or other material submitted are themselves inadequate or incomplete, or show the proposed improvement to be in violation of these Restrictions;

(b) The design, building materials or color scheme of a proposed improvement is not in harmony with the general surroundings of the lot or with adjacent buildings or structures;

(c) The proposed improvement or any part hereof would, in the opinion of the Committee, be contrary to the interests, welfare or rights of all or any part of other owners.

(iii) Power to Grant Variances. The Committee may allow reasonable variances or adjustments of these Restrictions where literal application would result in unnecessary hardship, but any such variance or adjustment shall be granted in conformity with the general intent and purposes of these Restrictions and no variance or adjustment shall be granted which is materially detrimental or injurious to other lots in the Development.

B. Duties of Committee. The Committee shall approve or disapprove proposed improvements within a reasonable time after all required information shall have been submitted to it. One copy of submitted material shall be retained by the Committee for its permanent files. All notifications to applicants shall be in writing, and, in the event that such notification is one of disapproval, it shall specify the reason or reasons.

C. Liability of Committee. Neither the Committee nor any agent thereof, nor the Developer, shall be responsible in any way for any defects in any plans, specifications or other materials submitted to it, nor for any defects in any work done according thereto. Further, the Committee does or makes any representation or warranty as to the suitability or advisability of the design, the engineering, the method of construction involved, or the materials to be used.

D. Inspection. The Committee may inspect work being performed with its permission to assure compliance with these Restrictions and applicable regulations.

E. Continuation of Committee. When the Developer notifies the Association of the discontinuance of its Development Control Committee and makes a written full transfer of review rights of improvements from the Developer to the Directors of the Association, then in that event the Directors of the Association, or their designees, shall continue the functions of the Committee with like powers.

7. RULES GOVERNING BUILDING ON SEVERAL CONTIGUOUS LOTS HAVING ONE OWNER. Whenever two or more contiguous lots in the Development shall be owned by the same person, and such owner shall desire to use two or more of said lots as a site for a single-

dwelling house, he shall apply in writing to the Committee for permission to so use said lots. If permission for such a use shall be granted, the lots constituting the site for such single-dwelling house shall be treated as a single lot for the purpose of applying these Restrictions to said lots, so long as the lots remain improved with one single-dwelling house.

8. USE OF THE RESERVOIR.

- A. All operation of boats upon Geist Reservoir is pursuant to a license that shall be exercised in accordance with the limitations made by the joint committee of the Developer and the Indianapolis Water Company or its successor, Citizens Energy Group, made according to the procedures set out in the License Agreement recorded in Book 121, Instrument No. 4863, in the Office of the Recorder of Hamilton County, Indiana and the license agreement recorded as Instrument No. 70-46985 in the Office of the Recorder of Marion County. If legally permissible, this Committee shall have the power to assess fines for the violation of any limitations on boat traffic on Geist Reservoir in accordance with the schedule of fines promulgated by it, and which shall become a charge upon the lot owned by the person against whom the fine is assessed.

- B. Any fine so assessed against any lot, together with interest and other charges or costs as hereinafter provided, shall become and remain a lien upon that lot until paid in full, and shall also be a personal obligation of the owner or owners of that lot. Such charge shall bear interest at the rate of ten percent (10%) per annum until paid in full. If, in the opinion of the Developer, such charge has remained due and payable for an unreasonably long period of time, the Developer may institute such procedures, either at law or in equity, by foreclosure, or otherwise, to collect the amount owing in any court of competent jurisdiction. The owner of the lot or lots subject to the charge, shall, in addition to the amount of the charge at the time legal action is instituted, be obliged to pay any expense or costs, including attorneys' fees incurred by the Developer in collecting the same. Every owner of a lot in the development and any person who may acquire any interest in such lot, whether as an owner or otherwise, is hereby notified, and by acquisition of such interest agrees, that any such liens which may exist upon said lot at the time of the acquisition of such interest are valid liens and shall be paid. Every person who shall become an owner of a lot in the development is hereby notified that by the act of acquiring, making such purchase or acquiring such title, such person shall be conclusively held to have covenanted to pay the Developer all fines that shall be made pursuant to this Paragraph 8 of the Restrictions.

9. PROPERTY RIGHTS IN LANDSCAPE AND SIGN EASEMENTS, BLOCKS AND PRIVATE DRIVES CONTAINED IN SECTION 11-B OF THE SPRINGS OF CAMBRIDGE.

A. Landscape and Sign Easement

Landscape and Sign Easement are created and reserved for the benefit of the Developer and the Property Owners Association for the installation, construction, maintenance, repair, reconstruction and replacement of earthen mounds, plantings and other landscaping, walls, fences, entry ways, columns, landscape irrigation systems, accent lighting systems, street lights, subdivision, identification and other items.

B. Common Area Blocks.

Certain Blocks in the Development are created and reserved for the use and benefit of the Developer and the Association for the purposes of providing green space and providing access to boat docks placed adjacent to the Common Area Block for lot owners of Lots 435, 436, 437, 438, 439, and 440. There shall be no launching of any watercraft, including, but not limited to motorboats from the Common Area real estate Block in The Springs of Cambridge, Section 11-B unless authorized in writing by the Developer for the limited purpose of providing access to boat docks of lot owners in The Springs of Cambridge, Section 11-B. In addition, this common area space shall remain private and no act or admission on behalf of the Developer or the Association shall be construed as a dedication of this space to the public.

- (i) **Lot Owner's Property Rights in Common Area Blocks.** A license upon such terms and conditions as the Developer, and the successors, assigns or licensees of the Developer, shall from time to time grant, for the use and enjoyment of the commons, is granted to the persons who are from time to time members of the Association. Ownership of any commons shall be conveyed at a date selected by and at the discretion of the Developer in fee simple title, free of financial encumbrances to the Association. Such conveyance shall be subject to easements and restrictions of record, and such other conditions as the Developer may at the time of such conveyance deem appropriate. Such conveyance shall be deemed to have been accepted by the Association and those persons who shall from time to time be members thereof upon the recording of a deed or deeds conveying such commons to the Association. The Developer reserves the absolute discretionary right on the decision to convey the common area blocks to the Association.

Block "H" is the Common Area Block in The Springs of Cambridge, Section 11-B.

C. Exclusive Ownership Blocks

Exclusive Ownership Blocks are created for the exclusive use, benefit and enjoyment of certain lot owners as designated herein, to provide among other things, access to Geist Reservoir. These exclusive blocks may provide among other things, access to boat docks adjoining the block. The ownership of the undivided interest in these exclusive blocks shall not be separately conveyed nor transferred.

- (i) **Maintenance of Exclusive Ownership Blocks.** The Developer may install walkways and, where applicable, stairways and other improvements, within exclusive blocks designated on this Plat for the use, benefit and enjoyment of the lot owners referred to the proceeding paragraph. It shall be the obligation of each of the lot owners entitled to the use and benefit of exclusive blocks and any improvement situated thereon to maintain said exclusive blocks and improvements in a safe, orderly and sanitary condition at all times. In furtherance thereof, it shall be the obligation of each of the owners of the lots entitled to the use and benefit of exclusive blocks to contribute an equal share of the costs of the repairs and maintenance of the Block and any improvements located within said exclusive blocks, where a majority of

the owners of lots entitled to the use and benefit of a particular walkway to repair, maintain, and/or make improvements to any walkway or other improvements located within exclusive blocks and one or more of the owners entitled to use said exclusive blocks, fail to pay their allocable share of such repair, maintenance, or improvements, then the owners paying such costs may file a lien for reasonable value of labor performed and materials furnished as prescribed by the lien laws of the State of Indiana against any such lot and the owner thereof and recover the full assessment owed, together with interest from due date and reasonable attorney fees.

There are no Exclusive Ownership Blocks in The Springs of Cambridge, Section 11-B.

D. Private Drives are Blocks designated as Private Drives on Plat of Section 11-B

Private Drives will be shown on the plat designated as Blocks and all Private Drives are designated as utility easements. Lot owners abutting or benefiting from use of such drives shall share an equal and undivided interest as tenants in common and it shall be the obligation of each owner in common with the other lot owners abutting or using such drive to contribute equal share in the cost of maintenance of such Drive. Where a majority of lot owners served by a Private Drive elect to repair such drive and one or more lot owners fail to pay their allocable share of such repair, then the owners paying such cost may file a lien for the reasonable value of labor performed and materials furnished as prescribed by the lien laws of the State of Indiana against any such lot and the owner thereof and recover the full assessments owed together with interest from due date and reasonable attorney's fees. The Private Drives contain utilities (private and public) to serve such lots in which event the several lot owners shall maintain the utilities not otherwise maintained by the respective utility in the same manner as set out for the Drive.

Block "G" is a Private Drive and a utility easement located in The Springs of Cambridge, Section 11-B. Citizens Energy Group has or will locate a waterline in Block "G" and is granted ingress and egress for maintenance and installation of waterline and appurtenances.

Private Drive Block "G" benefits the following six (6) lots owners: 435, 436, 437, 438, 439, and 440 in The Springs of Cambridge, Section 11-B.

Block "B" is a Private Drive and utility easement located in The Springs of Cambridge, Section Ten, however it provides ingress and egress to the lot owners of The Springs of Cambridge, Section 11-A and 11-B.

Private Drive Block "B" benefits the following eleven (11) lot owners: 400, 401, 402, and 403 located in The Springs of Cambridge, Section 10; and lot 434 in The Springs of Cambridge, Section 11-A; and lot 435, 436, 437, 438, 439, and 440 in The Springs of Cambridge, Section 11-B.

Block "B" is subject to an ingress/easement to allow access to boat docks in The Springs of Cambridge, Section Ten.

F. Violations of Terms and Conditions of Property Rights and Easements, Blocks and Ownership of Boat Docks in The Springs of Cambridge, Section 11-B.

Any violation of the above rights and obligations with respect to Private Drives, Blocks, utility easement, maintenance of boat docks, boat dock configuration restrictions or ingress and egress easements as described in paragraph 9 shall give the Developer and/or the Association the right to seek immediate injunctive relief and/or avail themselves of all legal and equitable remedies to enforce the provisions of paragraph 9. If the Developer and/or the Association is required to enforce this provision, it may, in addition to the enforcement, collect reasonable attorneys' fees for a violation of the above rights and obligations.

10. THE SPRINGS OF CAMBRIDGE PROPERTY OWNERS ASSOCIATION

A. In General. There has been or will be created, under the laws of the State of Indiana, a not-for-profit corporation to be known as "The Springs of Cambridge Property Owner's Association", which is referred to as the "Association". Every owner of a residential lot in the Development shall be a member of the Association and shall be subject to all the requirements and limitations imposed in these Restrictions on other owners of residential lots within the Development and on members of the Association, including those provisions with respect to the payment of a semi-annual charge. The Developer has retained the rights to approve all single-family homes and accessory structures being constructed on the lots.

B. Classes of Membership. The Association shall have two classes of voting membership.

Class A. Class A members shall be all owners with the exception of the Developer and shall be entitled to one vote for each lot owned. When more than one person holds an interest in any lot, all such persons shall be members. The vote for such lot shall be exercised as they themselves determine, but in no event shall more than one vote be cast with respect to any lot.

Class B. The Class B member(s) shall be the Developer, who shall be entitled to ten (10) votes for each lot owned. The Class B membership shall cease and be converted to Class A membership on the happening of either of the following events, whichever occurs earlier:

- (i) On the date the Developer no longer owns any lots or land located within The Springs of Cambridge, Sections 11, 11-A, or 11-B; or
- (ii) On January 1, 2050.

C. Board of Directors. The members shall elect a Board of Directors of the Association as prescribed by the Association's By-Laws. The Board of Directors shall manage the affairs of the Association.

D. Professional Management. No contract or agreement for professional management of the Association shall be for a term in excess of three (3) years. Any such agreement or contract shall provide for termination by either party with or without cause without termination fee by written notice of Ninety (90) days or less.

E. Responsibilities of the Association.

- (i) The Association shall maintain and repair the Common Areas and Landscape Easements shown on the plat(s) including improvements thereof.
- (ii) The Association shall maintain the landscaping located in Landscape Easement and the landscaping and any entrance treatments located in the right-of-way at the entrance and shall keep such areas in a neat, clean and presentable condition at all times.
- (iii) The Association shall procure and maintain casualty insurance for the Common Areas, liability insurance (including directors' and officers' insurance) and such other insurance as it deems necessary or advisable.
- (iv) The Association may contract for such services as management, snow removal, security control, trash removal, and such other services as the Association deems necessary or advisable.
- (v) The Association shall provide a means for the promulgation and enforcement of regulations necessary to govern the use and enjoyment of Common Areas.
- (vi) The Association may be required to care for, maintain and repair and rebuild common drives, private drives or walkways within the project that are not subject to maintenance by governmental authority. (A private drive is a drive which serves more than one dwelling unit.)

11. COVENANT FOR MAINTENANCE ASSESSMENTS.

- A. Creation of the Lien and Personal Obligation of Assessments.** Each owner of any lot in the subdivision, except the Developer, by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) semi-annual assessments or charges; and (2) special assessments for capital improvements and operating deficits; such assessments to be established and collected as hereinafter provided. The semi-annual and special assessments, together with interest, costs, and reasonable attorneys' fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorneys' fees, shall also be the personal obligation of the person who was the owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them. No charge or assessment shall ever be levied by the Association against the Developer.

- B. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the health, safety and welfare of the residents in the properties and for the improvement and maintenance of the Common Area and improvements, operated or maintained by the Association, and the landscape easements on the Development and other purposes as specifically provided herein.
- C. Special Assessments for Capital Improvements and Operating Deficits. In addition to the semi-annual assessments authorized above, the Association may levy a special assessment for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any capital improvement which the Association is required to maintain or for operating deficits which the Association may from time to time incur, provided that any such assessment shall have the assent of a majority of the votes of the members who are voting in person or by proxy at a meeting duly called for this purpose.
- D. Notice and Quorum for Any Action Authorized Under Sections C and D. Written notice of any meeting called for the purpose of taking any action authorized under Section C or D shall be sent to all members not less than thirty (30) days or more than sixty (60) days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty percent (60%) of all the votes of the membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than sixty (60) days following the preceding meeting.
- E. Date of Commencement of Semi-Annual Assessments: Due Dates. The semi-annual assessment provided for herein shall commence for each lot on the date of conveyance to the owner by deed or on the date the owner signs a land contract to purchase a lot. The Board of Directors shall fix any increase in the amount of the assessment at least thirty (30) days in advance of the effective date of such increase. Written notice of special assessments and such other assessment notices as the Board of Directors shall deem appropriate shall be sent to every owner subject thereto. The due dates for all assessments shall be established by the Board of Directors. The Association shall, upon demand, and for a reasonable charge, furnish a certificate in recordable form signed by an officer of the Association setting forth whether the assessments on a specified lot have been paid. A properly executed certificate from the Association regarding the status of assessments for any lot shall be binding upon the Association as of the date of its issuance.
- F. Effect of Non-Payment of Assessments: Remedies of the Association. Any charge levied or assessed against any lot, together with interest and other charges or costs as hereinafter provided, shall become and remain a lien upon that lot until paid in full and shall also be a personal obligation of the owner or owners of that lot at the time the charge fell due. Such charge shall bear interest at the rate of twelve percent (12%) per annum until paid in full. If, in the opinion of the Board of Directors of the Association, such charge has remained due and payable for an unreasonably long period of time, the Board may, on behalf of the Association, institute such procedures, either at law or in equity, by foreclosure or otherwise, to collect the amount owing in any court of competent jurisdiction. The owner of the lot or lots subject to the charge, shall, in addition to the amount of the charge at the time legal action is instituted, be obliged to pay any expense or

costs, including attorneys' fees, incurred by the Association in collecting the same. Every owner of a lot in the Development and any person who may acquire any interest in such lot, whether as an owner or otherwise, is hereby notified, and by acquisition of such interest agrees, that any such liens which may exist upon said lot at the time of the acquisition of such interest are valid liens and shall be paid. Every person who shall become an owner of a lot in the Development is hereby notified that by the act of acquiring, making such purchase or acquiring such title, such person shall be conclusively held to have covenanted to pay the Association all charges that the Association shall make pursuant to this subparagraph of the Restrictions.

G. Subordination of the Lien to Mortgagee. The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any lot shall not affect the assessment lien. No sale or transfer shall relieve such lot from liability for any assessments thereafter becoming due from the lien thereof. Provided, however, the sale or transfer of any lot pursuant to the foreclosure of any first mortgage on such lot (without the necessity of joining the Association in any such foreclosure action) or any proceedings or deed in lieu thereof shall extinguish the lien of all assessments becoming due prior to the date of such sale or transfer.

H. Suspension of Privileges of Membership. Notwithstanding any other provision contained herein, the Board of Directors of the Association shall have the right to suspend the voting rights, if any, and the services to be provided by the Association together with the right to use the facilities of the Association, of any member (i) for any period during which any of the Association's charges or any fines assessed under these Restrictions owed by the member remains unpaid, (ii) during the period of any continuing violation of the restrictive covenants for the Development, after the existence of the violation shall have been declared by the Board of Directors of the Association; and (iii) during the period of any violation of the Articles of Incorporation, By-Laws or regulations of the Association.

12. REMEDIES.

A. In General. The Association or any party to whose benefit these Restrictions inure, including the Developer, may proceed at law or in equity to prevent the occurrence or continuation of any violation of these Restrictions, but neither the Developer nor the Association shall be liable for damages of any kind to any person for failing either to abide by, enforce or carry out any of these Restrictions. The prevailing party in enforcing these Declaration of Restrictions may recover reasonable costs including reasonable attorney fees.

B. Delay or Failure to Enforce. No delay or failure on the part of any aggrieved party to invoke any available remedy with respect to a violation of any one or more of these Restrictions shall be held to be a waiver by that party (or an estoppel of that party to assert) any right available to him upon the occurrence, reoccurrence or continuance of such violation or violations of these Restrictions.

13. EFFECT OF BECOMING AN OWNER.

The owners of any lot subject to these Restrictions by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from the Developer or a subsequent owner of such lot, shall accept such deed and execute such contract subject to each and every Restriction and agreement herein contained. By acceptance of such deed or execution of such contract, the owner acknowledges the rights and powers of the Developer, Committee and of the Association with respect to these Restrictions, and also, for themselves, their heirs, personal representatives, successors and assigns, such owners covenant and agree and consent to and with the Developer, Committee and the Association and to and with the owners and subsequent owners of each of the lots affected by these Restrictions to keep, observe, comply with and perform such Restrictions and agreements.

14. TITLES.

The titles preceding the various paragraphs and subparagraphs of the Restrictions are for convenience of reference only, and none of them shall be used as an aid to the construction of any provision of the Restrictions. Whenever and whenever applicable, the singular form of any word shall be taken to mean or apply to the plural, and the masculine form shall be taken to mean or apply to the feminine or to the neuter.

15. DURATION.

The foregoing Covenants and Restrictions are to run with the land and shall be binding on all parties and all persons claiming under them until January 1, 2091, at which time said Covenants and Restrictions shall be automatically extended for successive periods of ten (10) years, unless changed in whole or in part by vote of those persons who are then the owners of a majority of the numbered lots in the Development.

16. SEVERABILITY.

Every one of the Restrictions is hereby declared to be independent of, and severable from, the rest of the Restrictions and of and from every other one of the Restrictions, and of and from every combination of the Restrictions.

Therefore, if any of the Restrictions shall be held to be invalid or to be unenforceable, or to lack the quality of running with the land, that holding shall be without effect upon the validity, enforceability or "running" quality of any other one of the Restrictions.

IN TESTIMONY WHEREOF, witness the signature of the Declarant this 19th day of November, 2013.

SHEET 2 OF 4

THIS INSTRUMENT PREPARED BY ERIC C. WHITE PLS. #200012 OF PAUL L. CRANE, INC.

Part of the Northwest Quarter of Section 11 and part of the Southwest Quarter of Section 2, all in Township 17 North, Range 5 East of the Second Principal Meridian in Hamilton County, Indiana, more particularly described as follows:

Commencing at a 5/8 inch diameter rebar with an aluminum cap stamped "DARE FILE NO. 0055" marking the rebar point of the cut-off--sec of Great Cone Way in The Springs of Cambridge -- Section Line, as per plot thereof, recorded as instrument #200623549 in Plat Cabinet 4, Sheet No. 456 in the Office of the Recorder of Hamilton County, Indiana; thence North 50 degrees 00 minutes 00 seconds West (bearing based upon solid record plot) 50.00 feet to a point which lies on the North right of very line of the said cut-off sec and a curve bearing a radius of 50.00 feet; thence Southeastly along the said curve and right of very line 113.45 feet to a point West 71 feet, more or less, to the shoreline of Geist Reservoir as established when said reservoir is full (with the water level thereof at an elevation of 725.0 feet above mean sea level); thence Westerly, Southwesterly, and Northwestly along said meandering shoreline 2,000 feet, more or less, to a point which bears North 50 degrees 00 minutes 00 seconds West 123 feet, more or less, from the point of beginning; thence South 50 degrees 00 minutes 00 seconds East 123 feet, more or less, to the point of beginning, containing 3.05 acres, more or less.

This subdivision consists of 6 lots, numbered 435 thru 440, inclusive, and Blocks "G" and "H".

The size of the lots, blocks and the width of the drives are in figures denoting feet and decimal parts thereof.

This plot is based in part upon a boundary survey which contains the above described real estate, performed by Paul J. Cripe, Inc. dated July 1, 1994, Job #101-2200 recorded as instrument #74-3676 in the Office of the Recorder of Hamilton County, Indiana.

There has been no changes from the matters or survey recorded by said previous survey, or any prior subdivision plots contained therein, on any lot(s) that are common with the within plot.

Witness my signature this 28th day of October, 2013.

Eric C. White, R.L.S. #P970012

PLAT RESTRICTIONS

The undersigned, The Springs I L.P., being the owners of record of the above described real estate, hereby certify that they do for off, plot and subdivide the same into lots and blocks in accordance with this plot and certificate.

This subdivision shall be known and designated as THE SPRINGS OF CAMBRIDGE - SECTION 11-B.

All public right of ways (public streets) shown herein and not heretofore dedicated are hereby dedicated to the public for use as public streets.

1. EASEMENTS FOR DRAINAGE, SEWERS, UTILITIES AND LANDSCAPE: Lots are subject to drainage easements, sewer easements, landscape easements and utility easements, either separately or in combination, as shown on the plot, which are reserved for the use of the lot owners, public/private companies and governmental agencies as follows:

A. DRAINAGE EASEMENTS (D.E.) are created to provide paths and courses for artifical and local storm drainage, either overland or in underground conduit, to serve the needs of the subdivision and adjoining ground and/or public drainage system; and it shall be the individual responsibility of the lot owner to maintain the drainage system, at his own lot. Under no circumstances shall said easement be blocked in any manner by the construction or reconstruction of any improvement, nor shall any grading restrict the water flow in any manner. Said easements are subject to construction or reconstruction to any extent necessary to obtain adequate drainage at any time by any governmental authority having jurisdiction over drainage or by the developer of the subdivision.

B. SEWER EASEMENTS (S.E.) are created for the use of the local governmental agency having jurisdiction over the storm and sanitary waste disposal system designated to serve the addition for the purposes of installation and maintenance of sewers that are a part of said system. Each owner of a lot must connect with any public/private sanitary sewer available. All sanitary sewer and utility easements may be used for the construction, extension, operation, inspection, maintenance, reconstruction and removal of sanitary sewer facilities and private Hamilton Southeastern Utilities, Inc. the right of ingress/egress.

C. UTILITY EASMENTS (U.E.) are created for the use of public utility companies, not including transportation companies, for the installation of pipes, mains, ducts and cables as well as for the uses specified in the cost of sewer agreements.

D. The owners of all lots in this addition shall have the right to the rights of public/private utilities, government agencies, and the rights of the other lot owners in this addition to said covenant held granted for ingress and egress in, along and through the strips of ground for the purposes herein stated.

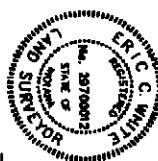

2. DWELLING SQUARE FOOTAGE REQUIREMENTS AND USE: All lots in this subdivision shall be known and designated as residential lots. No business building shall be erected on said lots and no business may be conducted on any part thereof, other than the home occupations permitted in the Zoning Ordinance of Farmers, Hamilton County, Indiana. No structure, such as a detached garage, placed or permitted to remain on any residential lot shall be erected, placed or contributed to remain on any residential lot unless one detached single-family dwelling not to exceed two and one-half stories in height and residential accessory buildings. Any garage, or accessory building erected shall be of permanent type construction and shall conform to the general architecture and appearance of such residence. The minimum square footage of finished living space or dwellings constructed on all Residential lots shall be 2,000 square feet for a single story or multi-story residence with a minimum of 1,300 square feet exclusive of porches, terraces, garages, carports, accessory buildings and basements.

3. BLOCK "G" - Private Street (Private Drive): The owner/developer expressly conveys and warrants on behalf of itself and all future owners of lots within this subdivision that because the street are private that all maintenance, repairs and replacement now or forever shall be undertaken at the expense of the lot owners in accordance with the terms and conditions set forth in the covenants, bylaws and articles. No governmental utility has any duty or responsibility to maintain, repair or replace any private streets. Where common drives are shown on this plot, those lot owners utilizing such drives shall own equal and undivided interest in such drives on terms in common, and it shall be the obligation of such owner, in common with the other lot owners, owning such a drive to contribute an equal share of the cost of the maintenance of such drives. Where a majority of lot owners agreed by a private drive elect to repair the private drive and one or more lot owners fail to pay their allocable share of such costs, then the owners paying such cost may file a lien for the responsible value of labor performed and materials furnished as prescribed by the laws of the State of Indiana against any such lot and its owner. Interest and recover the full easement owned together with interest from date of demand and any reasonable attorney fees. The private drive may contain utilities to serve said lots in which event the several property owners shall maintain the utilities not otherwise maintained by the respective utility in the same manner as set out for drives. All private drives shall also be a utility agreement.

4. Bed houses may not exceed one story (10 feet in height) and shall not exceed 900 square feet under roof.

5. FRONT YARD LIGHTS: A front yard light shall be installed and maintained on each lot in this subdivision by the respective owner thereof. Prior to the installation of said front yard light, drawings, diagrams and any other documents requested by the Development Control Committee (as defined in the Declaration of Restrictions) shall be submitted to said Committee for its approval. Such approved shall include design, color, location, height, tree preservation and other characteristics of the lot and the subdivision.

6. FENCES: No fence, wall, hedge, tree or shrub planting which obstructs sight lines of elevations between 2 and 8 feet above the street, shall be placed or permitted to remain on any corner lot within the triangular area formed by the street right-of-way lines and a line connecting points 2 and 8 feet from the intersection of said street lines or in the case of a rounded property corner, from the intersection of the street right-of-way lines extended. The same sight line limitations shall apply to any lot within ten feet of the intersection of a street right-of-way line with the edge of the driveway pavement or utility line. No driveway shall be located within 75 feet of the intersection of two street lines. In addition all fences must be approved as to height, material and location, as required in the Declaration of Restrictions.

7. RESIDENTIAL SETBACK REQUIREMENTS

- A. In General - Unless otherwise provided in these restrictions or on the recorded plot, no dwelling house or above grade structure shall be constructed or placed on any residential lot in the Development, except as provided herein.
- B. Definitions - "Side line" means a lot boundary that extends from the road on which a lot abuts to the rear line of said lot. "Rear line" means the lot boundary line that is furthest from, and substantially parallel with, the road on which the lot abuts, except that on corner lots, it may be determined from either abutting road.
- C. Front Yards - The front building setback lines (Building Line) shall be as set forth upon this plot of the Development.
- D. Side Yards - Minimum side yard setback: No side yard shall be less than ten (10') feet from the side line of the lot.
- E. Rear Yards - Rear setback lines shall be at least twenty (20') feet from the rear lot line excepting in the case of water frontage lots where setbacks shall be twenty (20') feet or the horizontal location of the line which lies at 780.40 (NGVD 1929) or 787.96 (NGVD 1929) feet above mean sea level (with the exception of both houses approved by the Development Control Committee), whichever is greater; provided, however, the Indiana Department of Natural Resources may authorize an encroachment upon lots below 788.40 (NGVD 1929) or 787.96 (NGVD 1929) feet above mean sea level because of unusual topographic conditions.

B. 100 YEAR FLOOD ELEVATION AND FLOOD PROTECTION GRADE: (Minimum Building Elevation) The 100 Year Flood Elevation on Goliath Reserve is at elevation 788.40 (NGVD 1929) or 787.96 (NGVD 1929). Flood Protection Grade (FPG) is at elevation 790.40 (NGVD 1929) or 786.96 (NGVD 1929) and is dated and marks the elevation of the lowest point around the perimeter of a building of which flood waters may enter the interior of the building (DNR Rule FPM 1, filed March 18, 1974).

9. DEVELOPMENT CONTROL COMMITTEE: Prior to application for Improvement Location Permit from the Department of Development of the Town of Fishers, Indiana for the construction of a residence or other structure, site plans and building plans shall be approved in writing by the Development Control Committee, as desired in the Declaration of Restrictions. Such approved sheet shall include building design, color and location, private drives, tree preservation and proposed landscaping.

10. CONTROLLING DOCUMENTATION: The restrictions contained in the plot are an implementation of the Declaration of Restrictions of Cambridge, recorded as instrument No. 2013-CR-1473, in the Office of the Recorder of Hamilton County, Indiana and any amendments thereto. In the event of a discrepancy between these Plot Restrictions and the Declaration, then the Declaration shall control.

11. DURATION: These covenants are to run with the land, and shall be binding to all parties and all persons claiming under them until January 1, 2080, or which time sold conventions and restrictions shall be automatically extended for successive periods of ten (10) years, unless changed in whole or in part by vote of those persons who are then the owners of a majority of the numbered lots in the development.

12. ENFORCEMENT: The right of enforcement of such of the foregoing restrictions by injunction, together with the right to cause the removal by due process of law of structures erected or maintained in violation thereof, is reserved to the Control Committee, owners of the lots in the subdivision, their heirs and assigns, their successors or assigns, who are entitled to such relief without being required to show any damage of any kind to the Control Committee, any owner or owners, by or through any such violation or attempted violation. The right of enforcement of the covenants is hereby delegated to the Town of Fishers Department of Development, its successors or assigns.
